### 1st Place: Zip Decker - 15 lb 03 oz

I ran down river several miles and I had a limit in 15 minutes. Began fishing shallow with reaction and then went to plastics. Surprised by how shallow some of the females were. The big fish was caught at 9am and it was the last time I culled. On a plastic. Dozens more caught throughout the day working back towards the ramp, but none over 2.5lbs.

### 2nd Place: Bob Judkins & Scott Turley - 13 lb 11 oz

We went east. Stopped in a cove Washington side. Scott flipped willows with a 5" senko wacky. Limit in 45 minutes. Water was higher than I've ever seen at Hoodriver. Fished as far as Rowena. Returned to starting spot. Culled two fish. Do you leave fish to find fish? 32 fish for the boat. Wacky Senko, green pumpkin tubes and dropshot 4" dingers nose hooked.

### 3rd Place: Jerry & Bobbi Lee - 12 lb 10 oz

I had the chance to pre-fish on Saturday with a good friend in the wind and big waves. We found fish out of the current in pockets close to the ramp. I made the decision on game day to follow the same pattern that I had found on Saturday expect their was no wind. I did start close to the ramp but all we could catch was small fish but had our limit by 8:00am. Since it was so calm I made the decision to run down river to some areas I have fished in the past but the current was too strong to hold. I came back to my starting area and culled with my big fish late in the day. Thanks to my wife for fishing on Mothers Day !!!!
