# **The Northwest Exchange**

The Folsom Bass Team from Sacramento wants to send four anglers to the NW for smallmouth fishing this summer. In exchange they will host four representatives of the CRB on California waters for a weekend. Zip proposes late spring for us to go to California.

This event will not be an official CRB event in terms of points or funds, just an exchange of fishing experiences between a few members of each club that wants to travel and fish. All travel expenses are the responsibility of the members that want to go.

They have four that have said yes. Let's see if we can get three more of us that want to go.

More details at the February meeting.

## **2010 club dues \$50**

Due to increase by BASS Federation Nation, the Columbia River Bassmasters will increase dues the identical \$10, which will be passed to Oregon Bass.

## **CFC**

More details about the 2010 Cabin Fever Classic will be discussed at the meeting. The flyer is reproduced on the next page of the newsletter.
